KAREN AND REI'S (EXCELLENCE AWARD)

1882 Route 9, (609) 624-8205

Just try to get into this place, owned by a husband and wife team whose restaurant has dazzled the population as well as our critic. The restaurant recently moved here from Avalon. Butternut puree soup, pheasant tom yum soup, gravlax, and pepper seared mahi are among the items you'll love. Karen is in the kitchen and Rei is in the front of the house. Reservations – far in advance are suggested. Hours change seasonally, call first. BYOB. Credit cards are not accepted. Average price of dinner for two, \$60 and up. Handicapped accessible. Restaurant is smoke free
